

# “Open Letter to Bill Maher regarding homosexuality” from TCFamily.org

February 12, 2015

Dear Bill Maher:

I am writing this Open Letter to you since Michael Moore has invited you to headline the 2015 Traverse City Comedy Festival this weekend. I'd like to comment on two youtube videos of you saying: (1) **“I'm not a liar”**, which means to me that **you love TRUTH and try to promote it**; and (2) **“We've won the 'gay' marriage debate.”** (I found these statements from just two of your many videos promoting homosexuality.)

I along with many other local parents have been concerned about our local Traverse City Area Public Schools (TCAPS) promoting homosexuality to the Kindergarteners – 12<sup>th</sup> graders for the last 15 years or more. You can see why we are concerned by reading the 46 slides of **“TCAPS & Friends Promoting Homosexuality”** article at [www.TCFamily.org](http://www.TCFamily.org).

We plan to continue as long as it takes to convince all 7 TCAPS school board members of the harm that is being done in promoting homosexuality to the students. (This really should not be as difficult as it has been, since TCAPS #1 stated goal the safety of the students.) We want all harmful behavior discouraged at TCAPS – regardless if it is politically correct or not – all the while lifting up the dignity and extreme value of each and every child as created in the image of God.

With this in mind, TCFamily shares the Truth in love whenever and wherever it is promoted in NW Michigan. (You can see 35 minutes of our **street outreaches** from the **“Cadillac 'Gay' and Lesbian Picnic in the Park”** to the 2014 **Mackinaw City Labor Day Bridge Walk** (40,000+ people) and plus four Traverse City area events on our **“Scott Lively Episode 9 Show”** video that is currently running on Charter Cable Channel 189 via the local access television Up North Media Center.

So now please consider your first statement: **“I'm not a liar”** (or **you love truth and try to promote it**) as we look at a **Brief History of the Homosexual Movement**, all the while considering how much “Truth” this

movement is actually based on.

Let's start with **Alfred Kinsey**, known as the **“Father of the Sexual Revolution.”** **Dr. Judith Reisman** is commonly known as the leading expert on Dr. Kinsey. She has stated in interviews and writings dealing with Kinseys **“Science”** that:

Dr. Kinsey was involved in the sexual torture -- and I use that word appropriately -- torture of up to 2035 children, the majority of those were little boys. The youngest was two months of age.

**Matt Barber from Barbwire.com** reports on the only instance when Dr. Martin Luther King Jr. is reported to have spoken about homosexuality:

“Civil rights icon saw homosexuality as a ‘culturally acquired’ ‘problem’ with a ‘solution’.” What was MLK’s position on the homosexual lifestyle and so-called “gay rights”? While he said little in public on the issue, what he did say made his viewpoint abundantly clear. Unlike the “LGBT” lobby, I’ll let Dr. King speak for himself. **In 1958**, while writing an **advice column for Ebony Magazine**, Dr. King responded to a young “gay” man looking for guidance. To avoid being accused of “cherry-picking,” **here is the exchange in its entirety**:

**Question:** “My problem is different from the ones most people have. I am a boy, but I feel about boys the way I ought to feel about girls. I don’t want my parents to know about me. What can I do? Is there any place where I can go for help?”

**Answer: [Dr. Martin Luther King Jr.]:** “Your **problem** is not at all an uncommon one. However, **it does require careful attention**. The type of feeling that

you have toward boys is probably **not an innate tendency**, but something that has been **culturally acquired**. Your reasons for adopting this **habit** have now been **consciously suppressed or unconsciously repressed**. Therefore, it is necessary to deal with this problem by getting back to some of the experiences and circumstances that led to the **habit**. In order to do this **I would suggest that you see a good psychiatrist** who can assist you in bringing to the forefront of conscience all of those experiences and circumstances that led to the habit. **You are already on the right road toward a solution**, since you **honestly recognize the problem and have a desire to solve it.**"

Now let's take a look at the "American Psychiatric Association (APA) decision in 1973 to remove "homosexuality" from their "Diagnostic and Statistical Manual Of Mental Disorders" (DSM2) in 1973, as reported by **Ryan Sorba:**

### The Intimidation of the American Psychiatric Association:

- "It was never a medical decision—and that's why I think the action came so fast...It was a political move." "That's how far we've come in ten years. Now we even have the American Psychiatric Association running scared. (Barbara Gittings, Pro-Sodomy Activist)

You can read the entire 3 page description of this intimidation in slides 25 – 27 of the 46 document "TCAPS & Friends Promoting Homosexuality" document at [www.TCFamily.org](http://www.TCFamily.org).

Now please consider "**The homosexual propaganda campaign in America's media**" which lists the detailed **gay agenda:**

- The homosexual agenda can succeed by conversion of the average Americans emotions, mind, and will, through, a planned psychological attack in the form of propaganda to the nation via media
- AIDS epidemic should be exploited "to increase attention and sympathy" as "victimized minority."
- All sexual morality should be abolished

Find 62 such quotes with page references at [www.TCFamily.org](http://www.TCFamily.org).

And what about the "**Truth**" behind the "Matthew Shepard Federal 'Hate Crimes' Bill"?

**Jimenez** [homosexual author of "**The BOOK of MATT**"] documents (**HIV-positive**) **Shepard's repeated sexual aggressions**, and the book ends with this shocking revelation:

"**Matthew Shepard was a victim of sexual abuse and molestation as a boy and as a teenager.... At age fifteen Matthew was arrested for molesting two eight-year-old boys** in his Casper [Wyoming] neighborhood...Matthew's juvenile arrest record had been quietly concealed."

Diagnoses of HIV Infection among Adolescent and Young Adult Males, by Age Group and Transmission Category 2011—United States and 6 Dependent Areas

Male-to-male sexual contact and IDU	37	2.1	232	3.3
Heterosexual contact	67	3.7	296	4.2
Other	3	0.2	0	0.0
Total	1,794	100	6,998	100

Also consider the latest **CDC statistics for TCAPS-aged 13 – 24 year old homosexuals comprising over 94% of the new HIV cases**, with only slightly lower

percentages for **syphilis**.

Finally let's go back to your second quote saying that "We've already won the 'gay' marriage debate." But do you remember Lance Armstrong "winning" 7 Tour de France races? He cheated one way and lost it all; the "gay' activist" movement has cheated pretty much every step along the way.

And just like in the Pro-abortion Roe v Wade decision, where the pro-choice leaders thought they were certainly capture all the young people, but they were wrong. Their eyes were opened. And we at [www.TCFamily.org](http://www.TCFamily.org) will continue to share the truth in love on the street in Northwest Michigan, no matter what is decided in June by the "Supreme Court." (**God is the final Supreme authority**, and he clearly condemns all sin, including homosexual behavior. 1Cor 6:11 is the "ex-gay" verse: "And such were some of you. But you were washed, but you were sanctified, but you were justified in the name of the Lord Jesus and by the Spirit of our God.")

See our [www.TCFamily.org](http://www.TCFamily.org) for further documentation and to watch 9 **Dr. Scott Lively teaching videos**, plus many more.. Thank you for your consideration.. We will be handing out this "open letter" brochure throughout the 2015 Traverse City Comedy Festival.

Sincerely, Bill Wiesner / [www.TCFamily.org](http://www.TCFamily.org) Founder.
